Fraser Island Two Day Tour

HIGHLIGHT

MAHENO SHIPWRECK

Built in 1905 and Fraser's most famous shipwreck, she is a landmark attraction on Ocean Beach after a cyclone in 1935 left the Maheno stranded. She was one of the first turbine-driven steamers sailing Sydney to Auckland before being commissioned as a WW1 hospital ship.

HIGHLIGHT

ELI CREEK

Swim or float along Fraser's largest creek on the eastern beach. It pours up to four million litres of clear, fresh water into the ocean every hour. This is a popular picnic and swimming spot, with a boardwalk bordered by banksia and pandanus plants.

HIGHLIGHT

LAKE BIRRABEEN

Similar to Lake McKenzie, this swimming hole is a wide expanse of crystal clear fresh water surrounded by a pure white sandy shore and bushland. This is a remote perched lake, formed on an impermeable layer of tree leaves, not fed by rivers or flowing to the sea. Cool off in soft rainwater.

TOUR DESCRIPTION

Picture perfect Fraser Island is best seen in 2-days. Enjoy exciting beach 4WDing with a FREE Cooloola tour included on the way. Board the car ferry and cruise to Fraser before taking to the beach in a luxury 4WD vehicle for all the thrills of the famous Fraser coastline. The world's largest sand island is home to pristine rainforest, crystal clear streams, sensational lakes, endless stretches of sand and steep sandhills. History, nature, beaches, adventure, wildlife.
